Public Hearings for the 2022-2023 Village Budget

The Village Manager, Mr. Snowden made the Public aware that the current budget proposal includes a 2% tax increase, the Water & Sewer departments are looking for a 2% raise and he feels that if they are granted the raise, everyone should get one. He also stated that as of right now, we are in the negative for \$1 million dollars and we have to find a way out of it. We still have contract negotiations coming up and I'm not sure how they are going to go given the current situation, but what is before you, is where we're at right now.

The floor was opened to the Public three (3) times and the following people spoke:

Diana Curbelo-Understands the current situation, but the Village has good workers and the Board has to find a way to keep them.
